RE: NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION FOR THE YEAGER SKANSKA WILD WASH SAND AND GRAVEL MINE MINING/RECLAMATION PLAN ON 60 ACRES

Dear Reader/Reviewer;

An addendum Mitigated Negative Declaration to the November 2002 Initial Study Environmental Checklist for the Yeager Skanska Mine Conditional Use Permit and Reclamation Plan to expand the existing quarry from 46 to 60 acres, is available for public review and comment. The purpose of the document is to identify and describe any additional environmental impacts that would result from implementation of the proposed project. The proposed project is located near the Wild Wash Road Interchange and Interstate-15 which is approximately 14 miles north of Victorville and 16 miles south of Barstow.

This document has been prepared to meet the State requirements of the California Environmental Quality Act. The proposed project will facilitate Surface Mining and Reclamation Act permitting on this mine site. The County proposes to adopt a Mitigated Negative Declaration for the project.

A copy of the Initial Study is available for review at the following locations:

San Bernardino County	San Bernardino County
Land Use Services Department	15505 Civic Drive
385 N. Arrowhead Ave., 1 st Floor	Victorville, CA 92392
San Bernardino, CA 92415	

The public comment period will end on Wednesday, **January 5, 2005**. For further information, call (909) 387-4147. The environmental document may be viewed on the County's website at: www.co.san-bernardino.ca.us/landuseservices/Public%20Notices/NOI/NOIs.htm. Written comments should be addressed to:
